YAKIMA VALLEY

The sunny slopes of the Yakima Valley foothills provide the perfect growing conditions for producing intensely flavored, balanced and complex wines such as Merlot, Cabernet Sauvignon, Chardonnay, Riesling, and Syrah. Long sun-drenched days and cool evenings in this desert climate yield bold, hearty, and luscious world-class wines.

TASTING NOTE

Look for a wine with aromas of blackberry, sweet cherry, blueberry and cedar spice. All of these carry onto the lush palate and linger through the supple finish, making this a Cab that's unusually easy to enjoy.
