SYRAH

YAKIMA VALLEY

The sunny slopes of the Yakima Valley foothills provide the perfect growing conditions for producing intensely flavored, balanced and complex wines such as Merlot, Cabernet Sauvignon, Chardonnay, Riesling, and Syrah. Long sun-drenched days and cool evenings in this desert climate yield bold, hearty, and luscious world-class wines.

TASTING NOTE

Youthful purple in color, this Syrah is soft and generous on the palate. Black and blue fruits dominate the nose, as brown spice and vanilla mingle in the background; a slight gaminess adds to the complexity. Integrated oak and polished tannins make this wine immediately appealing and it should drink well for the next 2 years.
